**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Dismantling key components of the 1996 Telecommunications Act will affect residential carriers like Sonic who use unbundled copper and inter-city fiber transport elements (UNEs) to compete in the residential marketplace. I'm Sonic residential consumer will be affected without availability of UNE services.
